Part B: Review of the previous academic year

Outcomes for disadvantaged pupils

Our disadvantaged pupil did really well last year, continually working at greater depth in reading, writing and maths, through out the year. This was demonstrated in their terms assessment and the standardised tests results. The pupil grew socially last year and became more confident when accessing new situations and started to develop copying skills for this.

Our intended outcome were met for our disadvantaged pupil.

Externally provided programmes

Please include the names of any non-DfE programmes that you used your pupil premium (or recovery premium) to fund in the previous academic year.

Service pupil premium funding (optional)

*For schools that receive this funding, you may wish to provide the following information: **How our service pupil premium allocation was spent last academic year***

The service pupil premium allocation was used to support a child with interventions, in particularly reading and writing.

The impact of that spending on service pupil premium eligible pupils

The standardised scores showed this pupil was making progress with the support they were getting however we noticed that this progress was not as accelerated as we would have liked.

Further information (optional)

Use this space to provide any further information about your pupil premium strategy. For example, about your strategy planning, or other activity that you are implementing to support disadvantaged pupils, that is not dependent on pupil premium or recovery premium funding.
