

Weekly News Finnmere C of E Primary School

**One family rooted in love, growing and
enabling all to flourish**

Our school values are Kindness, Honesty and Perseverance.

Love does not delight in evil, but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.

Corinthians 13:6-7

Friday 15th September 2023

Dear Parents and Carers,

I would like to share some exciting news. Last term all the children in Maple class entered a young writer competition and I am delighted to announce that all the children have been chosen to have their work published in a book, well done Maple.

This week we have given application forms out to all the children who would like to be a Team captain or a Vice-captain. Once we have had the applications in on Monday, we will be interviewing the children for the roles. We look forward to reading their applications.

This term Willow children will be looking at Autumn. If anyone has any Autumn coloured wool (reds, oranges, browns etc) Mr Hart would be very grateful for any donations they can use in their craft activities.

Our calendar for events this year is included with this newsletter. These are all subject to change and we will let you know of any changes as soon as possible.

Can I remind all Redwood Parents of the residential meeting on Monday 18th at 3.15pm.

We look forward to seeing you all then.

Mrs Law

Finmere C of E School
Mere Road
Finmere
Buckingham
MK18 4AR

Dear Resident,

Connection to Main Sewer – Euro Garages, Mere Road, Finmere, MK18 4AR

Euro Garages have instructed RA Dalton to install a new foul sewer pipeline. It will be installed from the Euro Garages' site, along Sandpit Hill, with the foul connection on Mere Road (please see site map enclosed).

The chosen method of installation is directional drilling along Sandpit Hill from the site along to the junction on Mere Road. This is a technique where we drill a small diameter tunnel underneath the road and then a pipeline is pulled through. Our expert technicians use a specialist directional drill head to navigate their way through the ground, controlling the depth and angle, to the agreed connection point. We will then be open trenching the rest of the route to avoid both gas and electricity lines underground. RA Dalton engineers will then install a chamber and connect to the foul sewer via open excavation. Please find enclosed a copy of our site plan.

RA Dalton will carry out the works in question from the 25th of September for 20 working days. These works have been approved by Oxfordshire Council, Buckinghamshire Council and Anglian Water. The traffic management on Mere Road will be 2-way traffic lights for the connection to sewer and 3-way traffic lights for the excavation works. The directional drilling works on Sandpit Hill will also be under 2-way traffic lights.

Our contact details are above, and the Contracts Manager is Rob Schofield.

We thank you in advance for your patience and cooperation during these essential works.

If you have any questions regarding these works, we will be happy to answer any of your concerns. Please contact our QHSE team on 01388 418233 or QHSE@radalton.co.uk

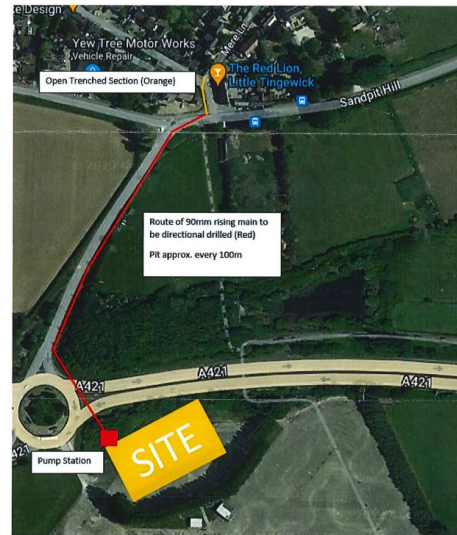

Thanking you in advance,
RA Dalton on behalf of Euro Garages.

Headteacher: Mr A McGinnes

11th September 2023

Dear Parent / Carer,

**Open Evening for Year 7 Admission in September 2024
Thursday 21st September 2023, 16:30 – 19:30**

We would like to take this opportunity to invite all prospective parents/carers and children for Year 7 September 2024 admission, to our Open Evening, which will take place on Thursday 21st September 2023 from 16:30 until 19:30.

The evening will consist of three sessions; the first session is a tour only for those short on time. Student Peer Mentors will then take you around the School, visiting each curriculum area. There will be presentations, displays of work and a range of interactive and fun activities for your child to engage in across the curriculum. There will be an opportunity to meet the staff, our students, see our facilities and sample our caterer's food in our dining room.

The two later sessions (17:00 & 18:00) will commence with a Headteacher's talk, followed by a tour of the School. All tours are expected to last approximately one hour.

All tours will pass through outdoor areas, regardless of weather conditions. In the event of rain, you may wish to bring an umbrella with you!

There are limited tickets available for each option and due to capacity, we are limiting tickets to a maximum of 4 per family. A ticket will need to be booked for each attendee, including children. To book your place, please click on the link to below to book your place for one of the following options:

16:30 – 17:30:- Tour Only

17:00 – 18:30:- Headteacher's address followed by a tour of the School

18:00 – 19:30:- Headteacher's address followed by a tour of the School

<https://www.eventbrite.com/e/the-buckingham-school-open-evening-tickets-676502175217>

Should you have any issues with booking your tickets, please email marketing@buckinghamschool.org who will be able to assist.

Please arrive no more than 15 minutes before the start time of the session you have booked for and upon arrival, please have your QR code/s open on your mobile phone, or printed, ready to be scanned. We will need to scan the QR code for each ticket booked.

Limited parking is available at the school, or alternatively additional parking is available at the neighbouring Swan Pool Sports Centre, which is pay and display (free parking from 5pm onwards).

We are very excited to be able to open our doors and welcome you to our fantastic school. We look forward to seeing you on 21st September 2023 and hope that you have an informative and enjoyable evening.

Yours faithfully,

Mr M Wardle

Lead Deputy Headteacher

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to finance@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
